

# Creative Lettering Practice

Write your name or any word you choose. As you write it mix up lower- and uppercase letters.

YouR nAmE

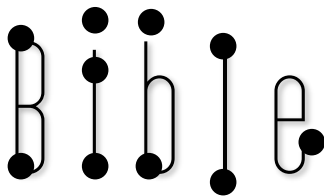

Mix in some cursive letters as you write.

Your First Name

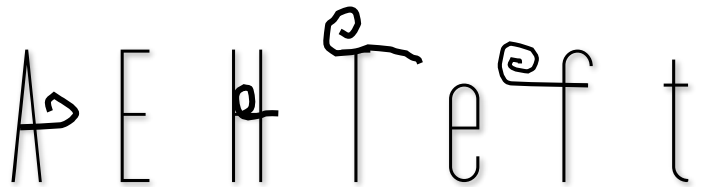

Try **bouncy** letters. These are letters that are not lined up evenly on the bottom line.

Print your words. Then add dots to the tops and bottoms of each line.

Add loops and curls to your crossbars.

Write your name in uppercase letters. Then draw lines just far enough away to create a space.

N

Leave the spaces **OR** Connect the lines to the letters. Leave the new spaces blank or fill them in with color or pattern.

## Other ways to play with lettering:

- Create chubby letters.
- Scribbly letters.
- Letters with flowers on the end rather than dots.
- Bubble letters.
- Block letters.
- Tall, skinny, and close together.
- Short, thick, and far apart.
- Mix and combine styles.
- Let your imagination go!!!!
